

SONIC Limeades for Learning #ThanksTeach Funded School List

SONIC® Drive-In, a longtime supporter of public school teachers through its Limeades for Learning® initiatives, celebrated Teacher Appreciation Month throughout the month of May with the third-annual #ThanksTeach social media campaign to recognize, celebrate and reward teachers.

In addition to sharing inspiring stories of real teachers – and encouraging others to do the same with the hashtag #ThanksTeach – SONIC’s \$1 million donation was shared among more than 5 thousand public school teachers across the country.

The below list includes each school where a teacher received a \$200 #ThanksTeach donation, with each row representing a single \$200 donation, organized alphabetically by state and city.
